

## Accessing the Database

You can access **Career Library** from two locations at our library web site at [www.antigopl.org](http://www.antigopl.org)

**First Option:** Near the top of the home page, you will see a horizontal bar with menu options. Move your mouse over **Reference & Research**, and a menu will appear. Move your mouse so that it highlights **Databases** on this menu, and a submenu will drop down. Click on "Fiction & Nonfiction" to open a new page.

There are several databases on this page. Scroll down and click on the **Career Library** icon.

**Second Option:** At the home page, select the "Career Connections" icon in the far left navigation column. On this new page, a link to the Career Library page is located near the top.

If you are using this database within the library, a single click takes you to the **Career Library** site.

*If you are accessing the database from outside the library, you will first be prompted for your 14-digit library card barcode.*

## Using the Database

At the **Career Library** home page, in the upper right corner, you will find a "Support" link. Click on this feature, and a separate page will open. On the far left side of this new page, you will see a link to "Documents." Within the documents (all PDF), you will find substantial files on *Assessment, Occupation Search, College Search, Quick Search, Resume Builder, Links and Articles, and Quizzes.*

**Career Library** consists of five major components:

### Exploration Center

This component lets users assess career interests and explore information pertaining to occupations and higher education. It contains interest and skills assessments, connecting results to a career cluster and/or occupation list. It provides various search options and important information including: Occupation Search, College Search, Financial Aid Information, Apprenticeships, Military Occupations, College Majors, State-specific Data, Occupation Video Library (English y español), and more.

### Resource Center

This segment lets users search for web resources related to colleges/universities, careers, curriculum, and much more. It provides information on items including: "Cool Jobs" (job profiles on up-and-coming or out-of-the-ordinary careers), Web Resources, Full Text Articles, Standards-aligned Curriculum, Occupation Video Library (English y español), State-specific Data, and more.

### Planning Center

This component lets users obtain printable resources and gather information that will assist with planning to enter the higher education community or the workforce. It includes resources such as a resume builder, as well as college and career planning checklists.

### Activity Center

This component offers ways for users to test their knowledge on history, vocabulary, math, English, and occupations in an engaging environment. It includes items such as Interactive Quizzes on history and vocabulary, online polls, sample proficiency & standardized test questions, GED sample tests and more.

### Support

A dedicated technical support section, this component provides items such as documents to hand out to student and adult users, Help files, FAQs and more.
